LoL Jeopardy: Board 1

Host reference. Players answer in question form.

JUNGLE LORE

$200	This camp's resident toad carries the full title "Lord Grompulus Kevin Ribbiton of Croaksworth."	**Gromp**
$400	"Nashor" is an anagram of this DotA boss.	**Roshan**
$600	The Rift Scuttler's dash reuses the Shadow Dash VFX of this champion, a likely nod to his "river" meme.	**Shen**
$800	Hextech and Chemtech drakes arrived in 11.23 to replace this short-lived dragon from the 2021 Sentinels of Light event.	**The Ruined Dragon**
$1000	Part of Elder Dragon's roar was recorded by dragging a violin bow across chicken wire and this household object.	**A trash can**

REGIONS OF RUNETERRA

$200	Noxus's Trifarix: Swain holds Vision, Darius holds Might, and the seat of Guile belongs to this anonymous member.	**The Faceless**
$400	Ixtal sealed its borders at the urging of this founding member of the Yun Tal.	**Skarner**
$600	Of the Three Sisters, Avarosa was deafened and Serylda lost her voice; Lissandra was blinded by this demigod.	**Volibear**
$800	In Camavor, heirs must bind their souls to this named sword to be crowned.	**Sanctity (the Blade of the Ruined King)**
$1000	This last Mage King of Icathia fell to the Shuriman Sun Empress, beginning a thousand years of vassalage.	**Axamuk**

REAL SKIN OR FAKE SKIN

Answer is Real or Fake. Naming the real skin breaks ties.

$200	"I, not a robot."	**Real (Definitely Not Blitzcrank)**
$400	"Crikey, what a ripper."	**Real (Outback Renekton)**
$600	"Not every yordle grows up dreaming of the circus. Just the ones with the tightrope."	**Fake**
$800	"The dentists of Piltover have a saying: never turn your back on a patient with a tail."	**Fake**
$1000	"Consistently in a near-comatose state from peering across the space-time continuum, Zilean's more recent hobbies include being terrible at hacky-sack, paying way too much for a ticket for awful music festivals, and ordering too many pizzas. He also owns New Age bookstore, which is closed most days."	**Real (Groovy Zilean)**

BAD TRANSLATIONS

$200	In German, Sona is "Die Virtuosin" and this champion is her masculine counterpart, "Der Virtuose."	**Jhin**
$400	Brazil renamed Toxic Dr. Mundo's skin to this, a nod to a certain green Marvel hero.	**Dr. Mulko**
$600	Brazil changed Gnar's title from "The Missing Link" to "The Prehistoric Yordle" to stop jokes about this.	**Elo (the rating)**
$800	A Russian naming error originally shipped this champion's Soulhunter skin as "Showerhunter."	**Kayn**
$1000	In Chinese, all four of this champion's abilities are named after Hong Kong triad and Bruce Lee film titles, like "Ferocious Dragon Crossing the River."	**Graves**

REWORKED

$200	His old ultimate, Children of the Grave, enslaved a dead champion's ghost for 30 seconds.	**Mordekaiser**
$400	Idol of Durand: a 2-second channel that turned this champion into a taunting statue.	**Galio**
$600	"Agony's Embrace" was the name of her old ultimate before it became her title.	**Evelynn**
$800	His old W was meant to be called "Nevermore," but Phreak's pun "Nevermove" stuck.	**Swain**
$1000	In Alpha this champion was a girl named Yuralia; the shipped version is named after Guinsoo's dog.	**Nunu**

DEAD ITEMS

$200	Luden's Echo was created in 5.2 to replace this item and its 15% max-health active.	**Deathfire Grasp**
$400	Its active disabled nearby turrets for 3 seconds; its name is both a player's handle and a pun on "homewrecker."	**Ohmwrecker**
$600	Fully stacked, this item had 30 more attack damage than a Bloodthirster.	**Sword of the Occult**
$800	At 30 stacks it transformed into Feral Flare; it's named after a beta tester and a Touhou character.	**Wriggle's Lantern**
$1000	Guardsman Bob used it on Udyr in the Ionia vs Noxus showmatch; Riot removed it a week later.	**Innervating Locket**
