Test Game: Test Board (doubled) (values doubled)

Host reference. Players answer in question form.

SHORT CLUES

$400	Two plus two.	**4**
$800	The color of the sky.	**Blue**
$1200	Number of lanes on Summoner's Rift.	**3**
$1600	The champion with a hat and mushrooms.	**Teemo**
$2000	The summoner spell everyone takes.	**Flash**

LONG CLUES

$400	This is a deliberately long clue so you can watch the word-by-word reveal and decide whether the speed slider feels right when you read it aloud over Discord.	**Anything**
$800	Another long one: the point of this clue is to make sure the text wraps properly, scales down when it is over one hundred sixty characters, and still reads cleanly on a stream.	**Anything**
$1200	Here is a clue with numbers, 173 champions, 20:00 Baron, and some punctuation; commas, semicolons, and a question mark?	**Anything**
$1600	Short again.	**Anything**
$2000	The final long clue of this category is here to test what happens when a player buzzes, gets it wrong, and the clue returns for everyone else without re-animating.	**Anything**

BUZZ TEST

$400	Everyone buzz at once.	**Whoever the database says**
$800	Buzz, then host marks wrong, then buzz again.	**Lockout check**
$1200	Nobody buzz. Host ends with space.	**Nothing**
$1600	Buzz and then host hits Cancel buzz.	**Fresh round**
$2000	Shift+click this one next time for a Daily Double.	**DD check**

SCORES

$400	Mark correct: +200.	**Correct**
$800	Mark wrong: -400.	**Wrong**
$1200	Use the + button in the side panel to add 1000.	**Manual**
$1600	Use the minus button to take 800.	**Manual**
$2000	Remove and re-add a player with the x button.	**Manual**

HOST KEYS

$400	Space during the reveal shows everything and opens buzzers.	**Space**
$800	Esc during the reveal cancels without using the cell.	**Esc**
$1200	Up arrow is correct, down arrow is wrong.	**Arrows**
$1600	Space on an open clue ends the question.	**Space**
$2000	Reopen buzzers throws out the current round.	**Reopen**

PLAYERS

$400	Refresh the player page mid-clue. It should pick up where it was.	**Resume**
$800	Join with a second name from an incognito window.	**Second player**
$1200	Switch to another tab and back. State should refresh.	**Visibility**
$1600	Check the mini board updates as cells get used.	**Mini board**
$2000	Check the scoreboard order updates as scores change.	**Scores**

FINAL JEOPARDY: TEST

Clue: Type any wager for each player, then mark each one right or wrong.
Answer: Anything

Host keys: click cell = clue · shift+click = Daily Double · space = show all / end question · ↑ correct · ↓ wrong · esc = cancel
